

ABC READY HOARD

Suitable for:

Construction Sites

Boundary Delimitation

*Indoor & Outdoor
Sites*

- Ready Hoard is a portable steel hoarding system that can be installed in the ground or on the ground
- Available in two different heights (2.0m and 2.4m) and in a range of corporate colours
- Ready Hoard is an ideal hoarding system that can; provide good site privacy and security levels, provide a professional image for your site and be re-used on multiple sites
- ABC can remove and recycle hoarding at the end of construction works
- Accompanying gates are available for pedestrians or vehicles
