

AUTOMATED SWING GATES

Suitable for:

Schools

Industrial Units

High Security

Commercial Premises

Utilities

Transport

- ABC install gate products which guarantee safe passage, secure operation, ridged construction frames and easy use locks
- Automated swing gates are very secure and aesthetically pleasing system that open from the centre, to 90 degrees allowing access
- Automated gates are high security as they can control the flow of traffic entering
- ABC can combine automated vehicle and pedestrian gates with access control systems such as intercoms, fob access and even automated number plate recognition (ANPR)
- These can be single or double leaf gates which are manufactured to suit your requirements
